www.batc.edu
Career in a Year!

The *mission* of the Bridgerland Applied Technology College is to deliver competency-based, employer-guided career and technical education to both secondary and post-secondary students through traditional and technology-enhanced methodologies. This hands-on technical education provides occupational education, skills training, and workforce development to support the educational and economic development of the Bear River Region.

Changing lives...one student at a time!

SHORT-TERM CLASSES
CONTINUING EDUCATION, SKILL UPGRADE, LIFE-LONG LEARNING

Short-Term courses vary in length from 10 hours to 250 hours and are offered primarily in the evening. These courses are designed to improve employment skills and/or stimulate interest in rewarding occupational programs.

Refund Policy:
100% will be refunded up to five working days after the first scheduled class, and none thereafter. For courses with lengths less than five days, 100% will be refunded prior to the beginning of class and none thereafter.

Late Fee:
$25 after the first day of class.

Registration begins **March 20 at 7:30 am**; no pre-registration will be accepted. Registration is held quarterly on a first-come, first-serve basis; and payment is due at time of registration. Register at least one week before class begins. Seating is limited!

ONLINE REGISTRATION

Prepare for registration by creating your online account. Step-by-step directions are found at my.batc.edu. Already have an account? Login to my.batc.edu and start registering. It's that easy!

IN-PERSON REGISTRATION

BATC will open at 7:30 am on the first day of registration.

IN-PERSON REGISTRATION HOURS

Logan (Main Campus)

BASIC SKILLS & COMMUNICATION

OPEN-ENTRY/SELF-PACED
Open-entry/self-paced courses are individualized and available for registration any time if openings exist. Students work through modules designed to master course material. An instructor is available to provide feedback and help you through the learning process. *You may need to enroll for more than one session in order to complete the course depending on your rate of progression.*

ENTRANCE EDGE
Learn the academic skills needed for success prior to entering the BATC program of your choice.
Logan & Brigham City

ESSENTIAL EDUCATION
Upgrade or refresh your educational skills in reading, English, math, spelling, and more. A pre-test is used to determine placement.
Logan & Brigham City

GED TEST PREPARATION
Prepare to pass all four parts of the GED test – or only work on the sections you need!
Logan & Brigham City

OTHER TEST PREPARATION
Prepare for the ACT, ASVAB, POST, COMPASS, ACCUPLACER or other tests.
Logan & Brigham City

Flexible Hours

Students will choose to attend 10 to 80 hrs per month (10 hr increments).

•Logan•
Contact Sean at 750-3238 for a start date. The lab is open Monday - Thursday 8 am to 8 pm and Friday 8 am to 4 pm.

M - F	Arranged	$48* (4 weeks)

•Brigham City•
Contact Karen at 237-0994 for a start date. Lab is open Monday through Friday 8 am to 12 noon.

M - F	Arranged	$48* (4 weeks)

JOB SEEKING SKILLS
WORKPLACE RELATIONS
Jump into your dream job with important communication and workplace readiness skills. These courses have online components.
Logan & Brigham City

MATH PLACEMENT TEST HELP (MPT)

BATC offers three options for students who want help reviewing math for the math placement test (a test used by USU and other universities).

Math Placement Testing

For dates and times email *math@batc.edu* or visit *batc.edu*

Option 1: Study Sessions
Study sessions are $10. A review of both college level math and trigonometry may significantly boost your score and is highly recommended.

Option 2: Self-Paced with Tutoring Lab
Review your math more completely for that next test. At $48 for 4 weeks, you decide when you want to start! Gain access to the lab, tutors, and courseware.

Option 3: Short-Term Classes
See this schedule for individual lecture-based classes.

AMERICAN SIGN LANGUAGE

AMERICAN SIGN LANGUAGE (ASL) 1 - BEGINNING
This class is appropriate for students with no prior knowledge of ASL or for students who know a few signs and want to learn more of the grammar and usage of ASL. It is also a great class for parents wanting to learn basic signs to use with their babies/children or for professionals wanting to learn to communicate with Deaf clients in the workplace. High school juniors and seniors may also enroll in ASL classes to earn foreign language credit. Questions? Email asl@batc.edu.

Logan Main Campus

ASLA 0101 04 LC	June 5 - Aug 23	M W	6-8:15 pm	$259*
ASLA 0101 05 LC	June 12 - July 27	M-Th	8-10 am	$259*

BUSINESS/MARKETING

SALESMANSHIP
We are constantly selling something - products, services, ideas, or an image - but the world of "sales" has changed. Customers have redefined what they expect. Professional salesmanship establishes and builds a customer-focused relationship that keeps a diverse group of clients comfortable and coming back for more. This course prepares participants to enter a career in sales and/or make themselves more marketable in their current industry, whether it is computer sciences, nursing, mechanics, etc. All industries use some type of customer interaction that this course can prepare participants for. The course content is online and class will be held for discussion and group interaction on a weekly basis. Mandatory labs held Wednesdays April 19 through May 24 from 6-8 pm. Course also includes a 60-hour internship.

Logan Main Campus

MRKT 1001 02 LC	April 10 - May 26	Blended	$232

SELF-PACED BUSINESS COURSES

These courses are competency-based allowing you to progress as your schedule permits at home, work, or school!

Open Lab Availability:

Logan (LC): Mon - Thurs 2 pm - 7 pm. Contact: Kyle at 750-3190
Brigham City (BC): Mon - Wed 8 am - 12 pm or 5 pm - 8 pm. Contact Kristen at 237-0069.

DRAFTING/CONSTRUCTION

CABINETMAKING (BEGINNING)

This class is designed to teach the fundamentals of the art of cabinetmaking. Safe and proper use of shop tools and machines will also be part of the instruction. Previous experience is not necessary but can be helpful. Students will design, plan, layout, and construct a cabinet of their choice, as approved by the instructor. Each process, from the cabinet design to the finished product, will be demonstrated and closely monitored by the instructor to ensure a successful experience. Questions? Contact David Wimpy at dwimpy@batc.edu.

Logan Main Campus

CABM 0101 04 LC	April 11 - June 15	Tu Th	6-9 pm	$136*

CABINETMAKING (INTERMEDIATE)

Design, plan, layout, and construct a cabinet **of your choice** (and approved by the instructor). This intermediate class has been developed for those who have previously taken the Beginning Cabinetmaking class at BATC. The focus of this class will be to further develop the student's cabinetmaking skills by utilizing the competencies already learned in the Beginning Cabinetmaking class. Questions? Contact David Wimpy at dwimpy@batc.edu.

Prerequisite: Beginning Cabinetmaking

Logan Main Campus

CABM 0102 04 LC	April 10 - June 19	M W	6-9 pm	$136*

CABINETMAKING (30-HOUR LAB)

This cabinetmaking lab is designed for **experienced** cabinetmaking students wanting to work on their own to finish projects or develop new small projects. This lab will have limited instructor involvement and will require the student to observe safety practices as previously instructed. The student will have to pass the safety test and a **schedule of attendance must be worked out with the instructor.** Questions? Contact David Wimpy at dwimpy@batc.edu.

Prerequisite: Beginning Cabinetmaking

Logan Main Campus

CABM 0103 04 LC	April 10 - June 19 (30 hrs)	M - Th	6-9 pm	$68*

APPRENTICE CROSSOVER

This class is a make-up class for those Electrician, Plumbing and HVAC-R apprentice students who need to get on the right rotation schedule for the fall classes.

Logan West Campus

	April 24 - July 5	M Tu W	6-9 pm	$310*

CODE UPDATES

The following code update classes focus on the state and local building codes and will satisfy the continuing education requirements for trade and contractor licensing. Partial funding has been applied by the Division of Occupational & Professional Licensing from the 1% Surcharge Funds on all building permits on most of the courses.

2017 NEC • Analysis of Changes
Brigham City Campus

APPR 0106 01 BC	April 14	Fri	8 am-4:30 pm	$45
	8 Core Hrs for Electrician CEU's			$55 after 4/13

2014 NEC • Conductor Sizing & Protection Calculations
Logan West Campus

APPR 0106 21 LC	May 13	Sat	8 am-4:30 pm	$45
	8 Core Hrs for Electrician CEU's			$55 after 5/12

2014 NEC • Hazardous Locations
Logan West Campus

APPR 0106 22 LC	June 9	Fri	8 am-4:30 pm	$45
	8 Core Hrs for Electrician CEU's			$55 after 6/8

10-HOUR OSHA SAFETY TRAINING

Course can count for 10 Hrs Core Credit toward Contractor CEU's.

ONLINE APPR 0103 Online • Registration ongoing $75

FORKLIFT OPERATION CERTIFICATION (ENGLISH OR SPANISH)

This online OSHA certified course covers current regulations for the safe operation of a lift truck. Once a student completes the online course they schedule a time with the instructor to do the practical exam. Once both portions are successfully completed they will receive their Forklift Operator Card. Students must complete both portions within the block of time they have chosen.

HSGN 1001 27 LC	June 5 - July 7	M W F	12:30-2:30 pm	$80.50*
HSGN 1001 28 LC	June 19 - July 21	M W F	12:30-2:30 pm	$80.50*

MEDICAL CODING
Prepare for employment as a medical coder/medical biller. This program prepares/requires the student to take the Certified Coding Associate (CCA) Exam through the American Health Information Management Association (AHIMA). **Medical Terminology is a prerequisite and must be successfully completed prior to registration in Medical Coding. An academic assessment is required before enrollment**; contact the Assessment Center at (435) 750-3188. Class size is limited. High school diploma/GED required. The program takes approximately 10 months to complete. During the first 15 weeks of the program students are required to take the Wednesday evening support courses. Contact Adrienne at (435) 750-3177 or aalvey@batc.edu for additional information.

Logan Main Campus

	Open-Entry	Tu W Th	5-9 pm	$973*

MEDICAL OFFICE ADMINISTRATION
Become a vital part of a physician's front office team. Learn how to schedule patient appointments, maintain patient charts in electronic medical records, bill insurance companies and much more. State endorsement available. **Medical Terminology and current AHA CPR cert. are prerequisites. A non-refundable $50 background check fee is required. A random drug screen is required. An academic assessment is required before enrollment;** contact the Assessment Center at (435) 750-3188. High school diploma/GED required. Contact Kandice Maughan at (435) 750-3047 for more information.

Logan Main Campus

	Open-Entry	M W F	8:30-3:30 pm	$847*

***Text and/or supplies may be required**

HEALTH/DENTAL

Utah State University PN and/or RN Prerequisite Offering for Summer 2017

As a service to our future and current nursing students, these courses are delivered at BATC. Contact Amanda at mandi.peterson@usu.edu for questions. All students must make application to USU. Students may enroll through the Banner Access system starting April 7, 2017, 9 am.

Prospective BATC PN Students: Get preferential placement in USU courses listed below. For additional information and to be placed on the pre-PN student list, please contact Jake Angell at jangell@batc.edu.

BIOL 2060 MICROBIOLOGY (4 credits)

BATC Logan Main Campus

May 8 - Aug 11 Tu Th 5:15-7:15 pm **USU
Lab will be held in Brigham City $70 lab fee
Lab: Tues 2:15-4:15 pm **AND** Thurs 3:15-4:15 pm

Please note: BIOL2060 has a prerequisite. Please refer to the USU online catalog http://catalog.usu.edu/ for prerequisite options. The prerequisite must be present on a USU transcript for students to enroll.

***USU tuition information can be found at usu.edu/registrar/payment*

MEDICAL TERMINOLOGY

Learn to speak the language of medicine. Acquire a large vocabulary using word roots, prefixes, suffixes, and combining forms while preparing for a career in the medical field. This course is a prerequisite for most Health Sciences programs and the BATC Practical Nursing Program.

INTENSIVE SHORT-TERM CNA COURSE

Do you need to get your CNA certification quickly? We have a new course option for you! Complete the CNA curriculum in 2½ weeks. Attendance is mandatory, with no room for absences. Rigorous course for the academically sound. Study time outside of class recommended.

CNAT 1001	Coming July 2017	M - F and weekend clinicals	8-5 pm	$385*

PHARMACY TECHNICIAN

Would you like a fast-paced, interesting career in a pharmacy setting? Pharmacy Technicians assist pharmacists in the packaging and distribution of medication. A national certification exam is required upon successful completion of the program. An academic assessment is mandatory before enrollment; contact the Assessment Center at (435)750-3188. A $50 trainee license from Utah Division of Occupational and Professional Licensing (DOPL) is required (fee not included) and application will be made on the first day of class. This application will require a background check. High school diploma/GED required. Contact pharmtech@batc.edu for questions concerning the program.

Logan Main Campus

MEDP 1101	August 2017	M Tu W	5-9 pm	$1,506*
		Lab: Thurs (3-6 or 6-9 pm)		

PHLEBOTOMY TRAINING

Learn the basics of laboratory science, including how to collect and draw blood and other lab specimens for clinical and hospital laboratory testing. Students who complete this course will take the National Healthcareer Association Certified Phlebotomy Technician Examination to obtain national certification. **A non-refundable $50 background check fee is required. Students must be at least 18 years old.** The text, packet, lab coat, and safety goggles must be purchased prior to the first class and are available at the BATC Bookstore. Tuition and fees include $115 for the NHA Certified Phlebotomy Technician Examination. **Prerequisite: current AHA Healthcare Provider CPR cert. (proof required at time of background check).** High school diploma/GED required. Class size is limited. Contact Kerri at (435) 750-3013 or ksales@batc.edu for questions.

Logan Main Campus

HSGN 1002 22 LC	Apr 10 - June 19	M W	4:30-7:30 pm	$476*

COMPOSITES PROJECT BUILD 1
This course covers building a composite product as a class project. Topics covered include inspection and test methods, adhesive bonding and fastening. Also includes bonding methods, types of adhesives, surface preparation, cleaning, bonding to core materials, bonding to thermoplastic composites, joint design, drilling and fastening. This course consists of online, text, and lab training.
Prerequisites: IAMT 1811, 1821, 1831. Questions? Email: tstorey@batc.edu

Brigham City

IAMT 1841 02 BC	April 11 - June 15	Tu Th	8-11 am	$236*
IAMT 1841 03 BC	April 11 - June 15	Tu Th	5:30-8:30 pm	$236*

CORE MATERIALS AND COMPOSITE REPAIR
This course covers core materials such as sandwich construction, balsa core, foam cores, honeycomb cores, other core types, design criteria, and fabrication. The course moves into repair of composite structures. Topics include types of damage, component identification, paint removal, damage removal, repair design, vacuum bagging materials for repair, scarfing, patching, and curing methods. This course consists of online, text, and lab training. Prerequisite: IAMT 1811 Introduction to Advanced Composites. Questions? Email: tstorey@batc.edu

Brigham City

IAMT 1821 04 BC	April 11 - June 15	Tu Th	8-11 am	$236*

IAMT 2250 01 LC	April 11 - June 27	Tues	5-9 pm	$220*

MACHINING TECHNOLOGY BASICS
This class is an introduction to the world of machining. Explore the possibilities of a new career. Training will cover measuring, power band saws, basic mills, and basic lathe operations.

Logan Main Campus

MACH 0101 04 LC	April 10 - June 19	M W	6-9 pm	$166*

MACHINING • INTERMEDIATE
This course is a continuation of Machining Technology Basics. It covers single point threading, taper turning, knurling, boring, and EZ-Trax programming. **Prerequisites:** Machining Technology Basic or one year of manual machining experience.

Logan Main Campus

MACH 0102 02 LC	April 10 - June 19	M W	6-9 pm	$166*

MASTERCAM 2017 • BASIC
Mastercam 2017 features a new ribbon interface and makes it easier to find the functions you need to complete your tasks. "Many of the more powerful tools were underused because customers did not know where to find them." The ribbon tabs group similar functions and displays them in order from simple to more complex. This basic workshop will get you started in the world of Computer-Aided Design/Computer-Aided Machining. CAD/CAM software uses CAD drawing tools to describe geometries used by the CAM portion of the program to define a toolpath that will direct the motion of a CNC machine tool to machine the exact shape that was drawn. You will learn basic design, geometry, contouring, pocketing, drilling, toolpaths, and posting.

Logan Main Campus

MACH 0104 02 LC	April 10 - June 19	Mon	6-9 pm	$150*

WELDING • BLACKSMITHING
Learn basic blacksmithing skills and fundamentals in this 30-hour class. Students will make several tools.

Logan Main Campus

WELD 0103 04 LC	April 13 - June 15	Thurs	6-9 pm	$166*

WELDING • BEGINNING
Learn skills in Oxyacetylene Welding, Cutting, Shielded Metal Arc (Stick), Gas Metal Arc (Mig) Welding, and maintenance welding skills.

Logan Main Campus

WELD 0101 04 LC	April 11 - June 15	Tu Th	6-9 pm	$166*

WELDING •CERTIFICATION & PROCESSES
Learn over a dozen welding processes with emphasis on welder certification of mild steel, aluminum, and stainless. Students can choose which processes they want to certify in.

Logan Main Campus

WELD 0102 04 LC	April 11 - June 15	Tu Th	6-9 pm	$166*

PUBLIC SERVICE

HEARTCODE ACLS (Advanced Cardiac Life Support)
Students get realistic patient scenarios through eSimulation technology and are presented with ten ACLS scenarios and a written exam. Students will be required to assess each patient, formulate a treatment plan based on ACLS guidelines, and provide treatment. At the successful completion of the online portion, students will be required to schedule a skills practice and testing with a BATC ACLS instructor. Students will have 30 calendar days to complete this course (both the online and the skills components).

ONLINE

EMSR 0105	Online • Registration ongoing	$170

HEARTCODE PALS (Pediatric Advanced Life Support)
HeartCode PALS is a web-based, self-directed eLearning course that teaches the skills to recognize and prevent cardiopulmonary arrest in infants and children. Featuring eSimulation technology, HeartCode PALS provides students the ability to assess and treat pediatric patients in a virtual clinical setting. Students apply their knowledge to make real-time assessments and treatment actions while completing their PALS training. HeartCode provides immediate feedback and debriefing on students' performance. Students will have 30 calendar days to complete this course (both the online and the skills components).

ONLINE

EMSR 0106	Online • Registration ongoing	$170

HEARTSAVER FIRST AID
This self-paced course uses interactive lessons and videos to teach you comprehensive first aid knowledge. Students will learn first aid basics, medical emergencies, injury emergencies, and environmental emergencies. This program is for anyone with limited or no medical training who needs a First Aid certification card. No skills lab required. Students will have 30 calendar days to complete this course.

ONLINE

EMSR 0107	Online • Registration ongoing	$40

HEARTSAVER FIRST AID WITH CPR & AED
Includes basic first aid procedures and CPR for adults, children, and infants with the use of an AED. Two-year certification through the American Heart Association. The online course requires a hands-on lab.

Register for 4FUN classes at batc.edu/students/schedule/4fun

Bring your friends and family!
(Minimum 12 years of age)

BABY QUILTS
Come make a baby rag quilt in only a couple of days! Such a simple, useful & adorable quilt for a newborn or even a baby doll for your child! Other baby quilt ideas will be demonstrated as well. Fabric/supply requirements will be e-mailed upon registration.

April 25 & 27	Tu Th	6-9 pm	$20*

BEGINNING SEWING
Learn the basics of how to create your own clothing. Sewing machine operation, layout of patterns, fabric selection, simple techniques, and basic construction methods will be covered. Students will construct one piece of clothing during the class. Equipment provided; students will need to purchase pattern and fabric.

April 25 - May 30	Tues	6-9 pm	$50*

CAKE DECORATING
Se Habla Español!
Come join Creative Cakes and Events owner, Travis Stevens, for a wonderful journey into the technicality and creativity that is Cake Design. In this newest installment we will be studying the art of chocolate and many uses of it on cake decorating. We will pass through chocolate molding, chocolate transfer, and in the end we will design, construct, and create our very own wedding cake. We will also begin our studies of Fondant and the uses thereof. Students must provide their own supplies and creativity for the class. A list will be provided after the first class. Please bring on opening night, any sized cake iced with buttercream and additional buttercream for borders.

April 17 - May 15	Mon	6-9 pm	$110*
April 19 - May 17	Wed	6-9 pm	$110*

KNITTING (BEGINNERS/INTERMEDIATE)
In this class students will have 12 hours of class time with plenty of one-on-one help to learn the basics of knitting: cast on, counting stitches, knit, purl, counting rows, and cast off. Students can choose to make a scarf, boot socks/cuffs. Class size is limited to maximize the amount of personalized instruction each student will receive from the instructor, a master knitter who designed and knit her own wedding dress! Students will need to purchase knitting needles and yarn for their projects. Details will be provided the first day of class. Class will not be held May 2 or May 30.

April 11 - June 27	Tues	6:30-8 pm	$45*

NO Tuition (Utah Residents)

The BATC Summer Programs run June 12 through July 28 and are offered to juniors and seniors. Classes are from 8 am to 12 noon, Monday through Friday unless otherwise noted.

Bring your student body card to Student Services to register for class beginning May 8, 8 am. BATC will be closed July 4 and July 24.

First-time BATC students will need to fill out a high school admissions form at my.batc.edu.

Students from Cache & Logan School Districts must attend one of the Logan Campuses, but may attend the Brigham City Campus for Cosmetology. Box Elder School District students have the option to attend Logan or Brigham City.
