

Bridgerland Applied Technology College Police Academy

Equipment and Supplies

The information on this sheet is provided to help you plan accordingly for expenses related to the police academy, which are in addition to tuition. Expenses are not incurred all at once. This is only an estimate of equipment and supplies; other equipment/supplies may be required that are not listed. Please remember we cannot predict changes that may occur in prices.

Please do not purchase any of the items until after the first night of class.
