phone (435)753-6780 . fax (435)752-2016

### **Pell Grant Eligible Programs**

In order for an otherwise eligible institution to participate in Federal Student Aid programs it must provide at least one eligible program. A program may be considered eligible if it provides a required number of hours, is offered during a required number of weeks, leads to a certificate, and prepares students for gainful employment in a recognized occupation. *Note: Not all programs at an eligible institution qualify as eligible programs. On-line programs are not eligible programs.*

The following programs/ *certificates* at BATC have been approved for **2017-2018** Federal Student Aid purposes, therefore, **students enrolled in the following programs may be eligible to receive the Federal Pell Grant for the hours indicated ( ):**

*Comp Graphics* (900)

Nursing-  
*Practical Nursing* (930)

Web & Mobile Development (1200)  
Basic Web & Mobile Development (900)

Welding Technology (960)

Each of the above programs offers a BATC Certificate. Pell Grants are approved for the hours of the various programs/ *certificates* listed. Pre-requisite, pre-admission and on-line courses are not eligible for Pell funding. Eligibility to receive federal aid may be limited for students choosing to enroll in more than one program/ *certificate*. Please visit the Financial Aid Office for more information on how concurrent or consecutive program enrollment may affect your aid.

\*This program/ *certificate* is available to students who declared this certificate and *began training prior to July 1, 2016 (in 15-16)*. Students whose start date is July 1, 2016 or later may not choose this program/ *certificate*.

\*\*This program/ *certificate* is available to students who declared this certificate and *began training prior to July 1, 2017 (in 16-17)*. Students whose start date is July 1, 2017 or later may not choose this program/ *certificate*.

Δ The State of Utah requires successful completion of a minimum of 1600 hours and the State of Idaho requires successful completion of a minimum of 2000 hours to become eligible to take the state license exam. The 400-hour difference in certificate length is actual time a student will be working with clients performing services in the lab environment. Students are encouraged to discuss certificate options with the Cosmetology Department Head prior to selecting in which option they wish to enroll (*effective July 1, 2013*).

A current class schedule and school catalog may be available in Student Services for more information about these and other programs offered at Bridgerland Applied Technology College. Or visit our college web-site on-line at [www.batc.edu](http://www.batc.edu). For more information about BATC programs/ *certificates* feel free to contact our Student Success Advisors Office at (435) 750-3268 or (435) 213-1861.

Most of the programs listed are available on an open-entry open-exit basis at the BATC Logan Campus. Some are also available at the Brigham City Campus. Please check the current class schedule for program availability and location or contact the BATC Financial Aid Office or Registration for more information.

*Note: The BATC Rich Campus is considered an auxiliary secondary school. As a result, students attending or enrolled in programs at the Rich Campus are not eligible for the Federal Pell Grant.*
